

in partnership with Pinpoint Marketing

We will make social media as easy as 1...2...3!

Do you want to start using social media to promote your business?

Are you nervous of the online world?

Our small, friendly and informative workshops are held in High Wycombe and will give you the confidence to 'get social' and build a whole new network of potential customers!

Sessions cover an introduction to Facebook, Twitter and LinkedIn and introduce the fantastic scheduling tool, Hootsuite.

Only £60 per head
